\* Precision Autos is not a lender nor a financial adviser. Any amounts displayed should not be seen as an offer of finance or taken as financial advice. The interest rate, fees and loan term used in this calculation may not actually represent those available from lenders. Actual interest rates, fees and loan terms will vary per lender and are typically based on an assessment of your credit risk and responsible lending criteria. Any repayment amounts displayed are indicative only and have been calculated using several other indicative inputs. The interest rate used in this calculation is an arbitrary 13.95%, however exact interest rates vary per lender. The term by lenders. This is a one-off establishment fee of \$395.00. Typically, this fee can be paid upfront or, as in this calculation, be capitalised over the contract term, i.e. included in the load manual term paid and the provide the state of the load term and the paid upfront or, as in this calculated by multiplying 208 weekly repayments (based on a 48 month term) by the weekly repayment amount of frequence terms and the provide terms and the paid upfront or, as in this calculated by multiplying 208 weekly repayments (based on a 48 month term) by the weekly repayment amount of frequence terms and the provide terms and the paid upfront or the same terms and the paid upfront or the same terms and the paid upfront or the same terms and terms \$109.47 which equals \$22,769.37. This calculator does not consider any of your own personal circumstances and we strongly suggest you seek budgeting advice prior to committing to any loan contract. Responsible lending criteria and lender terms and conditions will likely apply to any finalised loan contract. Proof of security and/or vehicle insurance may also be required before proceeding.
